00:00:10:23

- Gary's great-grandmother.

00:00:15:05

- She wanted to make the city a place where all animals felt welcome.

00:00:22:06

- So she invented her weather walls to help... everyone.

00:00:32:12

- She just needed an investor,

00:00:35:20

- a partner.

00:00:38:23

- But when my great-grandfather saw what her idea could be worth,

00:00:47:01

- he plotted to steal her plans for himself.

I want to tell your story...

00:00:57:08

- So he committed a murder.

00:01:01:23

- His own maid.

00:01:06:15

- And framed Gary's great-grandmother.

00:01:10:19

- And because she was a snake,

00:01:13:09

- everyone believed his lie.

00:01:16:24

- Soon...

00:01:19:11

- no reptiles were welcome.

00:01:22:22

- And over time...

00:01:24:20

- my great-grandfather buried the reptile neighborhood... in snow.

00:01:34:15

- And he died believing no one could ever uncover his crimes.

00:01:41:08

- But...

00:01:44:00

- he was wrong.
