00:00:10:26

- Gary's great grandmother.

00:00:15:06

- She wanted to make the city a place where all animals felt welcome,

00:00:22:06

- So she invented her weather walls to help... everyone.

00:00:32:11

- She just needed an investor,

00:00:35:25

- a partner.

00:00:38:24

- But when my great grandfather saw what her idea could be worth,

00:00:47:00

- He plotted to steal her plans for himself.

I want to tell your story...

00:00:57:08

- So he committed a murder.

00:01:01:25

- His own maid

00:01:06:19

- And framed Gary's great grandmother.

00:01:10:23

- And because she was a snake,

00:01:13:11

- Everyone believed his lie.

00:01:16:29

- Soon...

00:01:19:18

- No reptiles were welcome

00:01:22:26

- And over time...

00:01:24:26

- My great grandfather buried the reptile neighborhood in snow.

00:01:34:19

- And he died believing no one could ever uncover his crimes.

00:01:41:08

- But...

00:01:44:00

- He was wrong.
