00:00:01:14

- HARRY: When we first met, you said your job makes you think like a mortician or an insurance claims adjuster.

00:00:10:12

- HARRY: How am I as a corpse?

00:00:13:04

- LUCY: A good corpse.

00:00:15:18

- HARRY: How about as a payout?

00:00:18:24

- LUCY: Couldn't ask for better.

00:00:20:07

- HARRY: A nursing home partner?

00:00:23:23

- HARRY: A grave buddy?

I want to tell your story...

00:00:32:04

- LUCY: You can do better than me.

00:00:34:18

- HARRY: Can I?

00:00:36:15

- LUCY: You know how to do the math, don't you?

00:00:41:09

- LUCY: I'm older than the women you could be dating.

00:00:44:02

- LUCY: Which means my looks won't last as long, and I have fewer years left to get pregnant.

00:00:50:04

- LUCY: If you marry a 25-year-old, then in 10 years, she'll look like me.

00:00:55:19

- LUCY: If you marry me, in 10 years, I'll look like my mother.

00:00:58:23

- HARRY: What does your mother look like?

00:01:00:20

- LUCY: I was born poor, raised poor, and even though I work, I have debt.

00:01:06:18

- LUCY: I'm a college dropout and a failed actress.

00:01:11:14

- LUCY: I have no dowry. If anything, I have a negative dowry.

00:01:16:14

- HARRY: Do I look like I need a dowry?

00:01:20:01

- LUCY: At the end of the day, the math doesn't add up.

00:01:23:23

- LUCY: Given your position in the marketplace, and given mine, I'm not a girl you marry.

00:01:33:18

- HARRY: You say you think I'm smart, but you're talking to me like I'm a caveman.

00:01:40:06

- HARRY: I wouldn't date you if I didn't see value. I'm not like my brother.

00:01:42:16

- HARRY: I'm not looking for the nicest, prettiest rich girl who likes me back.

00:01:50:18

- HARRY: I'm looking for someone who understands the game, how the world works.

00:01:55:20

- HARRY: I'm looking for someone I respect... and trust...

00:02:01:14

- HARRY: someone who knows more than me.

00:02:06:06

- HARRY: I don't want to date you for your material assets, though I think you're underselling them by a significant margin.

00:02:13:00

- HARRY: Material assets are cheap. They don't last.

00:02:18:20

- HARRY: I want to be with you for your intangible assets.

00:02:23:10

- **HARRY: Those are good investments. They don't degrade, they only get sharper.**

00:02:29:13

- **HARRY: And besides, I have enough material assets for the both of us.**

00:02:36:19

- **HARRY: I see a lot of potential here. I think you and I could make great partners. I hope you agree.**
