00:00:01:14

- When we first met,

00:00:04:12

- You said your job makes you think like a mortician or an insurance claims adjuster.

00:00:10:10

- How am I as a corpse?

00:00:13:07

- A good corpse.

00:00:15:16

- How about as a payout?

00:00:19:01

- Couldn't ask for better.

I want to tell your story...

00:00:20:08

- A nursing home partner?

00:00:23:23

- A grave buddy?

00:00:32:03

- You can do better than me.

00:00:34:17

- Can I?

00:00:36:14

- You know how to do the math, don't you?

00:00:41:09

- I'm older than the women you could be dating.

00:00:44:01

- Which means,

00:00:45:22

- My looks won't last as long

00:00:47:20

- And I have fewer years left to get pregnant.

00:00:50:03

- If you marry a 25 year old,

00:00:52:09

- Then in 10 years she'll look like me.

00:00:55:20

- If you marry me in 10 years, I'll look like my mother.

00:00:58:23

- What does your mother look like?

00:01:00:21

- I was born poor,

00:01:02:13

- Raised poor,

00:01:03:22

- And even though I work, I have debt.

00:01:06:18

- I'm a college dropout

00:01:08:08

- And a failed actress.

00:01:11:15

- I have no dowry.

00:01:14:09

- If anything I have a negative dowry.

00:01:16:14

- Do I look like I need a dowry?

00:01:20:03

- At the end of the day, the math doesn't add up

00:01:23:22

- Given your position in the marketplace and given mine,

00:01:28:09

- I'm not a girl you marry.

00:01:33:18

- You say you think I'm smart, but you're talking to me like I'm a caveman.

00:01:40:08

- I wouldn't date you if I didn't see value.

00:01:41:22

- I'm not like my brother.

00:01:42:21

- I'm not looking for the nicest, prettiest rich girl who likes me back.

00:01:50:18

- I'm looking for someone who understands the game, how the world works.

00:01:55:22

- I'm looking for someone I respect

00:01:58:18

- And trust,

00:02:01:15

- Someone who knows more than me.

00:02:06:07

- I don't want to date you for your material assets, so I think you're underselling them by a significant margin.

00:02:13:00

- Material assets are cheap,

00:02:15:16

- They don't last.

00:02:18:21

- I want to be with you for your intangible assets.

00:02:23:11

- Those are good investments.

00:02:24:16

- They don't degrade, they only get sharper.

00:02:29:13

- And besides, I have enough material assets for the both of us.

00:02:36:18

- I see a lot of potential here. I think you and I could make great partners. I hope you agree.
